Chapter 1

The Librarian's Guide to Cardigans

By Lindsay Taylor

Chapter 2

Introduction

This books contains all the information librarian's need to know about what cardigans to wear and when. It covers:

1. Classic cardigans - for the stereotypical librarian look
2. Cropped cardigans - for the Gen Z librarian
3. Long cardigans - for the Millenial librarian
4. Oversized cardigans - for extra cozy days
5. Waterfall cardigans - a fashion faux pas
6. Belted cardigans - a reviving trend?
7. Boleros - for the adventurous

Chapter 3

Classic Cardigans

Classic cardigans give off that stereotypical librarian vibe.

3.1 Features

- Long, sleeves
- Bottom hem stops at hips
- Shape is fitted to the body
- Has buttons

3.2 When to wear it

Where to any library for any occasion! A classic cardigan typically fits with a casual or business casual outfit. This is also the best cardigan for a librarian Halloween costume.

Chapter 4

Cropped Cardigans

Cardigans for the young and young-at-heart.

4.1 Features

- Long sleeves
- Bottom hem stops at waist
- Shape can be fitted or slightly baggy
 - Usually the waist band and wrist bands are fitted, even if the sleeves themselves are baggy
- Often has buttons

4.2 When to wear it

The cropped cardigan can be worn similarly to a classic cardigan, depending on the material. A chunkier knit is usually more casual, a tighter knit is usually more formal.
