# Chapter 1

## Introduction

This books contains all the information librarian's need to know about what cardigans to wear and when.

## Chapter 2

# Classic Cardigans

Classic cardigans give off that stereotypical librarian vibe.

### 2.1 Features

- Long, sleeves
- Bottom hem stops at hips
- Shape is fitted to the body
- Has buttons

### 2.2 When to wear it

Where to any library for any occasion! A classic cardigan typically fits with a casual or business casual outfit. This is also the best cardigan for a librarian Halloween costume.

## Chapter 3

# Cropped Cardigans

Cardigans for the young and young-at-heart.

### 3.1 Features

- Long sleeves
- Bottom hem stops at waist
- Shape can be fitted or slightly baggy
  - Usually the waist band and wrist bands are fitted, even if the sleeves themselves are baggy
- Often has buttons

### 3.2 When to wear it

The cropped cardigan can be worn similarly to a classic cardigan, depending on the material. A chunkier knit is usually more casual, a tighter knit is usually more formal.
