Chapter 10

Classic Cardigans

Classic cardigans give off that stereotypical librarian vibe.

10.1 Features

- Long, sleeves
- Bottom hem stops at hips
- Shape is fitted to the body
- Has buttons

10.2 When to wear it

Where to any library for any occasion! A classic cardigan typically fits with a casual or business casual outfit. This is also the best cardigan for a librarian Halloween costume.

Chapter 11

Cropped Cardigans

Cardigans for the young and young-at-heart.

11.1 Features

- Long sleeves
- Bottom hem stops at waist
- Shape can be fitted or slightly baggy
 - Usually the waist band and wrist bands are fitted, even if the sleeves themselves are baggy
- Often has buttons

11.2 When to wear it

The cropped cardigan can be worn similarly to a classic cardigan, depending on the material. A chunkier knit is usually more casual, a tighter knit is usually more formal.
